

Turf Pros' #1 Top Dresser

Since 1994

Installation of the ECO-Seeder on ECO200 & ECO100

Assembly steps:

1. Center bracket inside the hopper at the top;
2. Drill two holes the size of the bolt (1/4" or 6 mm);
3. Fasten the bracket with the bolts, washers and nuts provided;
4. Insert seeder arms into the slots on the bracket.
